

CERTIFICATE OF ANALYSIS

PRODUCT NAME 5-Hydroxy-*L*-tryptophan-4,6,7-d₃
PRODUCT NO. D-7154
LOT NO. P105P15
DATE: November 2013

N.M.R.

Specification: 97 atom % D

Result: 99 atom % D

HPLC:

Specification: >96% chemical purity

Result: >99% chemical purity

Melting Point:

253-255°C

A handwritten signature in black ink, appearing to read 'Ying Cao', is written over a horizontal line.

Ying Cao, MSc
Quality Control Manager

Expiration:

Stable for three years after receipt of order if stored under recommended conditions (see section 7 of MSDS). After three years, the compound should be re-checked for chemical purity before use.
